## SUMMARY

---

IT Support/Technician intern candidate (SKM Tahap 3, graduating April 2027) with hands-on experience in PC troubleshooting, hardware assembly, and Windows installation combined with two years of customer-facing retail and hospitality experience. Cisco-certified in IT Essentials and Cybersecurity Essentials, seeking a hands-on internship starting **January 2027** until **April 2027** to apply and expand these skills in a real-world environment.

## TECHNICAL SKILLS

---

- PC troubleshooting, hardware assembly, and system resets
- Windows OS installation and configuration
- Foundational cybersecurity awareness (threat identification, risk management)
- Currently expanding into CCTV installation/repair, server basics, and printer maintenance

## CUSTOMER & SALES SKILLS

---

- Comfortable approaching customers, understanding their needs, and recommending suitable products/services
- Experienced operating POS systems for order processing and payments
- Strong track record of handling customer requests and resolving issues promptly and professionally
- Fluent in Bahasa Malaysia and English, able to explain technical matters in plain terms
